VOLUNTEERING WITH PURPOSE: WOMEN LEADING THE WAY

Lisa Holman

Lisa is currently employed at NEIL Services, Inc as the Manager – Compensation & Benefits. Prior to that, she worked for 17 years at Erie Insurance. Volunteering is no stranger to Lisa. She was on the Relay for Life Leadership Team, Co-chair of the Woman's Affinity Group, and the Treasurer of the African American Affinity Group. Lisa most recently ended her tenure as a Board Member of ServErie, and at one point held the positions of Board Vice Chair and Board Chair. She and her husband are proud parents and grandparents, with 2 children and 2 grandchildren.

Kerrie is the Associate Site Lead at Grace Harborcreek and the Program Director for ServErie in Erie, Pennsylvania. She has called Erie home for her whole life. She is a Gannon University alum, as well as earning two bachelor degrees from Gannon and Edinboro University. Kerrie is a former high school, middle school and elementary school teacher, administrator and United Way Community School Director. Kerrie loves spending any free time with her friends and family. She loves to be by the water (in any season!), catch an iconic Erie sunset and read a good book (sometimes all at the same time!).
