JEFFERSON EDUCATION SOCIETY

A LIGHT LUNCH WILL BE PROVIDED. PLEASE WEAR BLUE IN HONOR OF NATIONAL SLAVERY AND HUMAN TRAFFICKING PREVENTION MONTH.

Mark your calendars to join the Erie Women's Fund for an eye-opening education session about human trafficking—an urgent and often unseen crisis impacting communities across the country, including Erie. Since 2007, over 197,000 victims of human trafficking have been identified in the United States, with the vast majority being women and girls coerced into sex trafficking. Jordan Pine from Greenlight Operations will shed light on what human trafficking is, how to identify it, and the devastating toll it takes on individuals and families. Local experts will further explore the realities of human trafficking in Erie and the steps we can take to address this issue. Don't miss this opportunity to deepen your understanding of a critical problem and learn how we can all play a role in combating it.
