URGENT GRANTS

Sudden and unexpected events or situations arise from time to time that impede daily mission-critical delivery of services. When such situations arise that cannot wait until the next *Helping Today* grant cycle, please contact Rachel Cacchione, Program Officer, at 814-454-0843.

SHAPING TOMORROW GRANTS

Shaping Tomorrow grants support multi-year, collaborative projects that advance the Foundation's strategic plan for transformative change. These grants will focus on reversing negative trends as identified by Erie Vital Signs key indicators. As part of our 5-year strategic framework, the Foundation will award up to \$15 million in Transformational Grants and \$10 million in Mission-Related Investments to projects addressing priority community issues, at scale.

This process differs from prior grant applications; we seek dialogue, collaborations and feedback from the community to prioritize issues. We want to partner with strong champions who can bring matching dollars to transformational projects. With no specific deadlines, projects will be considered after conversations with our Community Impact Team and upon submission of a required white paper. Applicants should expect significant dialogue, interaction with foundation trustees, and the development of a specific, multi-year proposal.

COMMUNITY FUND DRIVES GRANTS

Local and regional nonprofit organizations may apply for support of their campaigns by submitting a Community Fund Drives grant request. Before applying for a grant from the Foundation, campaigns in excess of \$500,000 must be endorsed by The Community Fund Drives Committee, facilitated by The Nonprofit Partnership. For large campaigns, contact The Nonprofit Partnership at 814-240-2490. For campaigns below threshold of \$500,000, contact The Erie Community Foundation.

APPLICATION FORM DISCLOSURE

A PDF version of our applications are posted online, however all applications must be submitted through our online portal. A pre-application meeting with a member of our Community Impact Team is required before online submittal.

GRANTMAKING ELIGIBILITY

The Erie Community Foundation awards grants to nonprofit organizations defined as tax-exempt under Section 501(c)3 of the Internal Revenue Code. Eligible nonprofits must be located within Erie County or demonstrate service to a sizable population within Erie County. Eligible nonprofits may receive funding generally once per grant program in a 12-month period.

FISCAL SPONSORSHIP

If an applicant does not have its own 501(c)3 tax exempt status from the IRS, it may apply for a grant using a 501(c)3 organization as its fiscal sponsor, provided the grant furthers the sponsor's own tax exempt purpose. The fiscal sponsor submits the grant and all evaluation reports to the Foundation, is legally responsible to ensure grant funds are used properly, maintains financial records pertaining to the grant, and retains complete discretion and control as to the use of funds. A fiscal sponsor agreement must be sent to the Foundation for review before any grant application is submitted.
