

The Spanos Family Scholarship of The Erie Community Foundation

The purpose of the Spanos Family Scholarship Award is to provide an educational scholarship to the student, or students, who best exemplify qualities of merit, academic ability, citizenship, character, while also being actively involved with their respective parish community – with special consideration given to those students of the Greek Orthodox faith. This scholarship is generally ‘need-blind’, however, we are interested in seeing and better understanding how you will be participating in funding your academic experience.

You are eligible to reapply for this scholarship each year even if you have been declined a scholarship in the past.

Please print all required information
